More than just a hotel...
BUSINESS HOTEL ASTRUM LAUS****

ASTRUM Laus**** business hotel was opened to the general public in October 2010 right in the centre of the town of Levice.

It provides high-level complex services and flexible spatial solutions. In addition to accommodation, the hotel and congress centre offers a restaurant, café, lobby bar, spa, fitness centre and underground parking.

The modern interior designed in an ingenious way combines metal and glass with natural materials such as wood and stone. Light effects, colourfulness and playfulness of individual elements in connection with unusual shapes create pleasant and serious atmosphere of business style. Thank to the state-of-the-art technologies and helpful professional attitude of the staff, ASTRUM Laus**** is a great place not only for your work obligations but also for your relax.

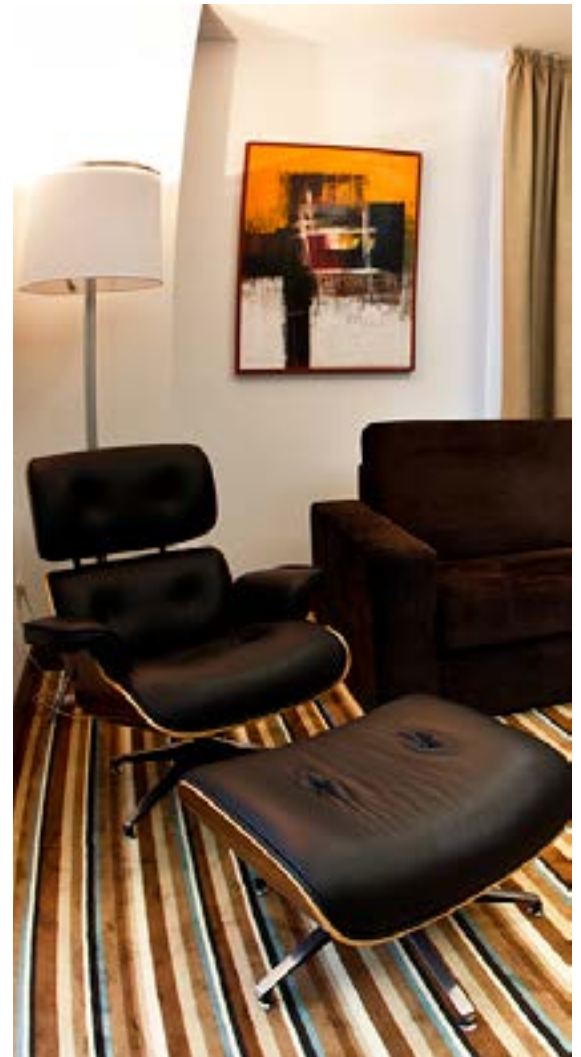

Where business meets comfort
